This is Central Van Lines, the transportation service provider (TSP) that will be moving your Household Goods from Bahrain to Arizona (GBL/Reference # SGNK0012302).

I've attached a copy of your Government Bill of Lading (GBL) for you to keep for your records. Please use the GBL# as a reference number whenever contacting our office. This way, our Customer Success representatives will be able to assist you more quickly. If you would be so kind as to **reply back to this email** as confirmation that you have received your GBL copy, I'd greatly appreciate it.

Below is the information we have on file regarding your availability at your new destination. Please advise me right away if any of this is incorrect, or if you have more updated information to give me:

You're arriving at your destination on/about: Unknown

Your current housing availability status is: Unknown

You're receiving the keys to your home on/about: Unknown

****YOU MUST NOTIFY ME IMMEDIATELY IF YOU ARE PLANNING TO SHIP A FIREARM OF ANY KIND AND/OR LIVE AMMUNITION, IF WE HAVE NOT ALREADY DISCUSSED THE MATTER****

Thank you, and have a great day!
